DETAILED ACTION

Priority

Though the previous action indicated that priority documents had been received, upon further review, it seems that the file does *not* contain *any* of the certified copies required by 35 U.S.C. 199(b).

Acknowledgment is made of applicant's claim for foreign priority based on applications filed in Japan on October 31, 2001; May 13, 2002; October 7, 2002; and October 30, 2002. It is noted, however, that applicant has not filed a certified copy of the applications as required by 35 U.S.C. 119(b).

Election/Restrictions

This application is in condition for allowance except for the presence of claims 24-34 and 39-50 directed to inventions non-elected without traverse. Accordingly, claims 24-34 and 39-50 have been cancelled.

Allowable Subject Matter

Claims 1-23 allowed.

The following is an examiner's statement of reasons for allowance:

As to independent claims 1 and 23, see Paper 04122006, mailed May 03, 2006, for reasons for allowance over the prior art of record.

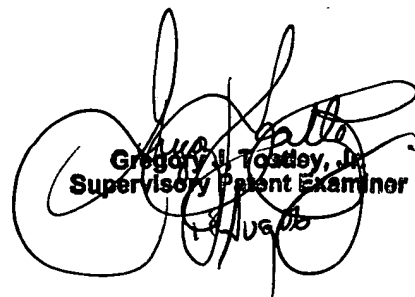

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
